

2011-28 – REQUEST FOR QUOTATIONS

AIRPORT ELECTRIC SLIDING DOUBLE DOORS

The Dawson Creek Airport is requesting proposals for the supply and installation of four (4) new “Tormax” electric sliding double doors in the Dawson Creek Airport located at 80 Vic Turner Road.

All documents are available through the City of Dawson Creek website at www.dawsoncreek.ca. The Proponent is solely responsible for ensuring any addenda are downloaded, reviewed, and included in their bid.

Inquiries regarding this Request for Quotations may be directed to Mr. Ian Darling, Airport Manager, at 250.782.3142, or via e-mail at idarling@dawsoncreek.ca. A **mandatory site visit** will be held for interested bidders on **Thursday, August 11 at 2:00 pm**.

Proposals sealed in an opaque envelope, clearly marked with the supplier’s name and the project name will be accepted up to **2:00 p.m. (local time), August 18, 2011** and will be received by:

Brenda Ginter, Director of Corporate Administration
City of Dawson Creek

P.O. Box 150
Dawson Creek, B.C. V1G 4G4

Specifications/ Scope of Work

Supply and installation of:

Four (4) – “Tormax” Automatic Electric Doors (sliding double doors).

Note:

Over time the door transoms and frames have been modified to accommodate various renovations. For this tender, contractors should take into account they may be required to frame and drywall in more than one location to create a tight seal around the new doors. This concern will be addressed in further detail during the site visit.

Tender price should include removal and transportation of the old doors. Once removed, the old doors will need to be transported to an adjacent aircraft hangar.

All construction zones are to be returned to pre-construction condition. The contractor shall be responsible for the acquisition of all necessary permits.

CONTRACTOR REQUIREMENTS

1. All work must be performed in accordance with all required permits and to good trade quality.
2. The Contractor is responsible for all project dimensions and measurements; as well as, tools and equipment.
3. The Contractor must be knowledgeable in all areas of the scope of the work.
4. The Contractor must carry a City of Dawson Creek business license. The license must be kept in good standing for the term of the Contract.
5. The Contractor must carry a valid WorkSafe BC number and be able to produce a clearance letter. All work must adhere to WorkSafe BC requirements and regulations.
6. A copy of the Company’s Health and Safety program must be filed with the City.
7. Minimum \$5,000,000 Liability Insurance with the City named as Additional Insured.

I have read and agree to comply with the above:

CODE OF CONDUCT - CONTRACTORS

The relationship between City employees and representatives of contractors providing service to the City is critical to achieving the goals and objectives of the Corporation of the City of Dawson Creek.

In providing the highest level of service possible, it is essential that all representatives of the Contractor work together with City staff in a co-operative and congenial manner, always respecting established lines of authority.

The efficiency of City operations and the image the Corporation presents to the public may be influenced by any breakdown in the relationship between the Contractor's representatives and City employees. Therefore, the Contractor's representatives are expected to convey a friendly, approachable, positive and helpful attitude to City employees and to be honest, trustworthy, reliable, dependable and punctual in all workplace activities.

Contractors unable to demonstrate an ability to meet this standard may be disqualified from the bidding process. Successful bidders subsequently failing to meet this standard should expect termination of any contractual relationship with the City.
