Showers

For health reasons, all swimmers are required to shower thoroughly before entering the pool.

Groups

Groups of 10 or more are required to notify us of their attendance 48 hours in advance. This allows us to inform you of what is/is not available at the time you wish to come (i.e. spray features, diving boards could be closed)

Beverages

No food or drinks are permitted on the pool deck. Plastic bottles for water are permitted. Glass containers are not permitted in building.

Diapers vs. Little Swimmers

Children who are not fully potty trained must wear approved water pants (little swimmers, water pampers). Regular diapers are not approved water pants as they are designed to absorb. In the pool regular diapers absorb water until they burst, releasing the moisture beads into the water.

Lifejackets

Complimentary for our patrons. **Limited supply available.**

Waterslide

Children must be 42 inches tall (3ft. 6 inches) to ride the slide. Doubling up is not permitted.

Course Registration/Facility Rental
