

Curbside recycling comes to Dawson Creek in September 2018

The City of Dawson Creek is expanding its curbside waste collection service to include recyclables. This service begins the first week in September. Recycling is collected every other week, on the same day as your weekly garbage collection.

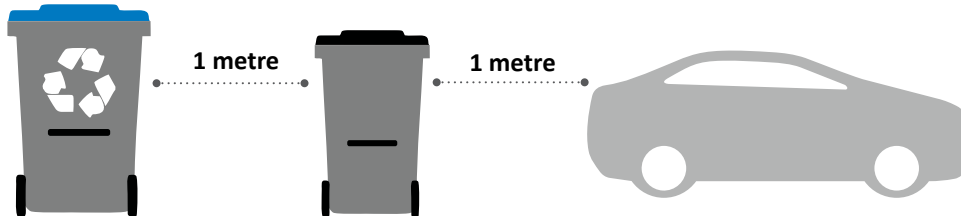

Recycling is picked up every other week

Garbage is picked up every week

How does it work?

Set out your garbage cart each week as you have been doing. But every other week, also set out your recycling cart. Leave enough space between carts and things such as parked cars for the automated truck to grab each cart.

For a complete list of materials, use the Waste Wizard at dawsoncreek.ca/recycle or download the Dawson Creek app

Garbage (collected every week)

- Bagged garbage
- Diapers
- Bagged dog & pet waste
- NO hazardous materials

Recycling (collected every other week)
